

U-150 TEAM CAPTAIN'S REPORT FOR 2009/2010

Two matches were played against each of Oxfordshire and Hampshire with one win against each county.

Only one match, which we won, was played against Berkshire as they could not raise a team for their home fixture and so gave us a walk over.

SUMMARY. P6 W4 L2 D0.

A total of 30 players were used in the 5 contested matches, of which 6 were juniors. The juniors played a total of 12 games, scoring 8.5 points and collecting 2 walk-over points as well. The juniors also supplied the only players to score 100%. These were Matthew Saunders with 2/2 + 1 w/o all on top board, Alec Howe with 1/1 + 1 w/o and Joseph Walker who scored 3/3 both playing in the bottom half of the team.

Ian Hall was the only player to play in all 5 matches, scoring 2.5 points.

We defaulted on one board only during the season.

My thanks to all who have played and an especial thanks to those who stayed behind to help clear up after the home matches.

Andrew Hill.
