

Grading Officer and Webmaster Reports - BCCA AGM - June 2, 2010

Webmaster's Report

Web Hosting

The current hosting arrangement continues to be successful with good availability throughout the season.

Grading Officer's Report

Grading Submissions

Results were submitted to the ECF for four competitions during 2008-2009. The overall number of half-games shows a continuing increase..

Competition	2006-7	2007-8	2008-9	2009-10*
Bucks League	768	914	946	1066
Bucks Individual	198	206	202	208
Bourne End Quickplay	262	328	422	n/a
Miscellaneous	n/a	n/a	8	6

*Estimated numbers – revised June 2, 2010

The Bourne End Quickplay was run by David Langford with the help of Tournament Director. This software automatically generates grading submissions, David is now the grading officer for this event.

Cutoff Date for Results

I am pleased to report that all results have been received.

Publication of New Grading List

It is expected that the list will be published soon after 20 July.

Registration of new Players.

As always, match captains/club secretaries should inform the controller of new players *before* they play a match. Be aware that a player may be known to the ECF even though there is no published grade. The following information is required:

If the player has an existing grade:

Name, previous club(s) and grade

If the player has no grade:

Full names

Gender

Date of birth (for under 18s)

Previous club(s) – full history please, no matter how old

Nationality

FIDE rating
