Wycombe High School

High Wycombe  
HP11 1TB

A qualifying event for the  
London Junior Chess  
Championships

We are grateful to the Headmistress and Governors for the use of Wycombe High School for this event. We would like parents to consider the other uses of the school during the day and if possible share lifts to the school in order to reduce parking congestion.

To ensure that the school is kept tidy, all food and drinks should be consumed in the area provided.

Wycombe High School is located one mile South of the town center on the A404, at the traffic signal controlled junction with Marlow Road.

The tournament is organised by the Bucks Youth Chess Association.

Further information can be found on the web at <http://www.byca.org.uk/>. All the results from the tournament will be put on this website and also sent to the British Chess Federation for grading. The entrance fee includes the junior game fee, therefore all members of the ECF can claim a 60p refund on the day. This congress will count towards the BCF Grand Prix.
