5.5-6.5

The games against Oxon and Berks were really very close, a draw versus Oxon, a win versus Berks, and a close loss against Berks secured last place in the table.

The Bucks juniors had 8 wins in all four matches. Some of the other games were very close, going to the wire, so to speak, and with a little bit of luck could have gone the

other way to a win, or draw.

I have nothing but admiration for the way all of our eleven juniors conducted themselves under pressure, winning or losing, I am very proud of them.

I would like to thank all of the thirteen adults who willingly put themselves into the firing line, so to speak, playing the other Counties juniors.

Andrew Challenger, three times, Greg Edmonds, twice, Paul Davis, twice, Brian Hicks, twice. Of course I played all four. Malcolm Instone, Jason Sanderson, Paul Basham, Tim Jones, Fred Day, Frank Rich, Andrew Hill, Colin Piper, and last but not least, Joe Arthur.

Kindest regards

Chris Stothert
