

TO ALL CLUB SECRETARIES

Paul Basham runs a junior chess club, every Friday night, at the Hamilton school in High Wycombe. There are about 15 members, give or take 1 or 2, all ranging from 8 to 15 years old. I have paid the occasional visit to the school, and played some of them.

All of these kids have the potential to make it to play good chess games. Some gave me a hard time. I play some of them in the under 100s competition, and they have excelled themselves.

Paul, and I, would like to ask any of your club members to pay a visit to the school from 7pm to 9pm. Their help and advice to the kids would be greatly appreciated. Hans Hansen, currently, coaches the kids, as well as on Tuesday with the Aylesbury kids.

Remember, These kids are the future of Buckinghamshire chess. They really do need all the help and advice that they can get. Why not pay a visit, just out of curiosity, to see what we mean.

Kindest regards

Chris Stothert
